HEART HERO Matthew, age 12

I was born with Hypoplastic Left Heart Syndrome and I have had six heart surgeries. I am doing well right now but will need more surgeries in the future. Two of my brothers were also born with heart defects. I recently participated in Hoops For Heart at my school. It was a lot of fun and I was happy to see so many other kids earning money to help people like me. I hope that they continue to raise money so new treatments will be available in the future.
